THE RECORD OF THE YEAR AT DENISON U.

1942

Adytum

GRANVILLE, OHIO • '42 EDITION

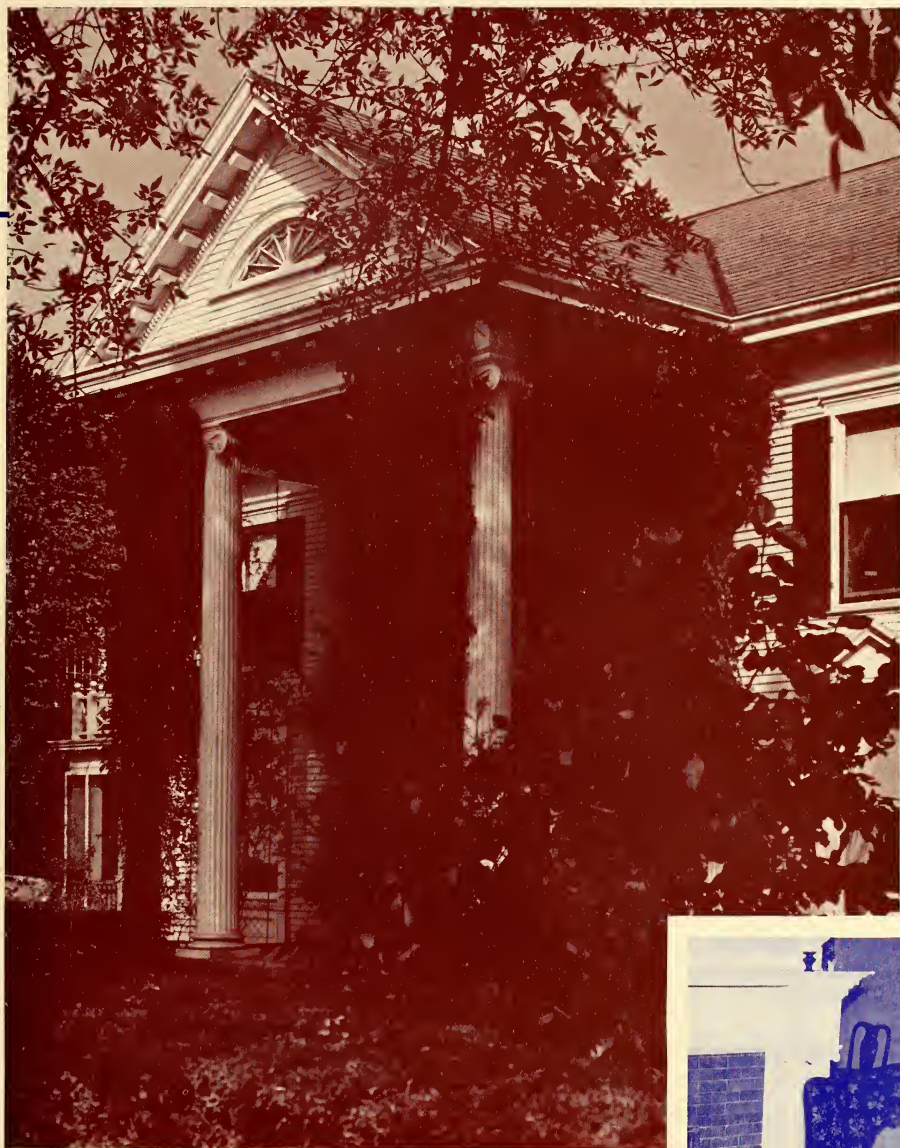

TO THOSE who have gone down these steps into the worldwide conflict before us we dedicate this nineteen forty-two Adytum. In this time of need and hardship, Denison students, alumni, and faculty have responded fearlessly either to active service, vital industry, or any other job which each and everyone can fulfill. At the time of this publication two Denison alumni had already gone down past that last step. They have symbolized American youth's willingness to make the supreme sacrifice in order that this world of ours be free from those undesirable isms.

John C. Blade '40 and Richard D. Mather '39 are but two of the thousands who will make that sacrifice and so to them and to the many other Denison students, alumni, and faculty we raise our voice in praise.

Swasey Observatory . . . The gift of Dr. Ambrose Swasey. This white marble structure was built in 1909 and contains nine-inch equatorial and four-inch zenith telescopes. Its value is being increasingly realized by the new navigation courses.

President's Residence . . . This beautiful, tall, pillared, house was built in 1902 and it stands almost squarely in the center of the campus. Its appropriate position at the top of the drag issues a welcome to all visitors young and old alike.

Cleveland Hall . . . A gift from friends resident in Cleveland, Ohio, this building was completed in 1905. It is used for men's physical education and also contains the departments of Religion, History and Government.

Doane Gymnasium . . . This building was erected in 1905 and was made possible by Dr. William Howard Doane. It is used solely for women's physical education and the various activities surrounding that department.

William Howard Doane Memorial Library

... A gift in memory of William Howard Doane by his daughters, Mrs. Geo. W. Doane and Miss Ida F. Doane. Erected in 1937 this building now houses a collection of books numbering over 140,000 volumes.

Life Science Building: . . . The gift of Ida Frances Doane, this building was finished for use this year and it stands just a few feet from the former site of old Marsh Hall. The Life Science Building contains the departments of biological sciences, psychology, philosophy, and sociology.

Barney Memorial Hall . . . A gift in memory of Eliam E. Barney by his son, Eugene J. Barney. This building was completed in 1895. Familiarly known as Barney Science—it houses Engineering, Geology, Physics, Education and Art departments.

Doane Administration Hall . . . The gift of Dr. William Howard Doane. Built in 1895 this building contains the offices of the president, deans, registrar, director of admissions, bursar, business manager, and director of publicity and classrooms.

Talbot Hall . . . This building was erected in 1871 and was named in honor of the fifth president. It houses several freshmen on its upper floors. The departments of Economics and Modern Languages are in the lower portion.

Curtis Hall . . . Made possible by the bequest of Annetta R. Jewell in memory of her son, Lanson Stage Curtis, of the class of 1896. Completed in 1940 it is the newest addition for housing and feeding freshman men.

Shaw, Beaver and Sawyer Halls

... They are pictured here for no singular reason but rather as a symbol of the fine housing Denison offers its women students. Shaw Hall is the most recent addition, being erected in 1939.

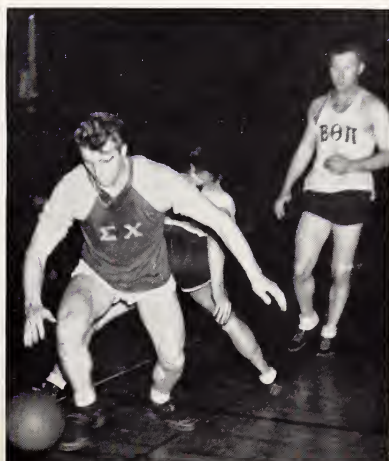

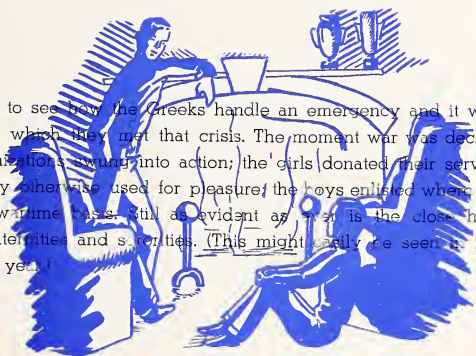

Fraternities . . Sororities . . Who's Who

Greeks

THIS year we got to see how the Greeks handle an emergency and it was enlightening to note the spirit with which they met that crisis. The moment war was declared on December 8, the sixteen organizations swung into action; the girls donated their services and considerable sums of money otherwise used for pleasure; the boys enlisted where they could and put their houses on a wartime basis. Still as evident as ever is the close harmony and keen spirit among the fraternities and societies. (This might easily be seen in noting the number of pins planted this year.)

FOUNDED . . . during a protective tariff debate at Miami. They took the affirmative, since then they've needed all the protection they could get. PURPOSE . . . to give opposition to a sorority christened at Miami sixteen years before. MOTTO . . . a bigger body and a smaller mind. ACTIVE CHAPTERS . . . can it be that there actually is such a thing? INACTIVE CHAPTERS . . . if the whole equals the sum of its parts, they are all inactive. PIN . . . small but popular model of the last word in tombstones, held together by a four-ply chain. IDEAL . . . to help Sid Jenkins uphold the new standard of sportsmanship. FLOWER . . . white rose. They were frightened at a very early age. PROPERTY . . . a grove of small, dying pine trees, and a shower as only found in darkest Africa. ASSETS . . . party boys who still have their pins. LIABILITIES . . . members who retire early to talk about the womenfolk. MAGAZINE . . . "The Mortician's Monthly". COLORS . . . Blue and old gold. "Will you still love me when I'm old and sad?" SONG . . . We always hear them singing, but we never can make out the words. HOW RECOGNIZED . . . Distorted jaw.

FOUNDED . . . to restore peace in a poker club which was near the point of breaking up. PURPOSE . . . to supplement the Army's recruiting program. MOTTO . . . "Give a man a gun he can shoot!" ACTIVE CHAPTERS . . . We were in a hurry and didn't get a chance to finish counting. INACTIVE CHAPTERS . . . we found that they were just about equal to the active ones, as far as we had tabulated. PIN . . . just like the Phi Gam pin, except it has a blow torch and a fire extinguisher glued to the surface. IDEAL . . . a new outhouse. FLOWER . . . a don't-forget-me, but then, how could we? PROPERTY . . . one modern, up-to-date villa on the outskirts of town, just behind the post office, surrounded by faculty members who are forced to live nearby because of the housing shortage. ASSETS . . . Johnny Orwig and the Y. M. C. A. LIABILITIES . . . Johnny Orwig and the Y. M. C. A. PROMINENT ALUMNI . . . Lots of them. There must be by the law of average. MAGAZINE . . . "The Bartender's Friend". COLORS . . . violetess and gilt. SONG . . . "Roll out the Barrel". HOW RECOGNIZED . . . a bleary look, a slight stagger, and a slight cough.

University

THE university has seen changes this year due to peacetime measures and wartime measures. The new Life Science Building introduced its many advantages to the students at the beginning of the school year. The beginning of the year also saw the largest enrollment Denison has ever had and it gave a slight advantage to the women. New faculty members joined the Denison family and some only to leave again for the army. New courses held the limelight of the year. The war was the cause of these courses so naturally they all had some relation to that cause.

K E N N E T H I . B R O W N

Dr. Kenneth Irving Brown was born in Brooklyn, New York on April 27, 1896. He received his B. A. degree at the University of Rochester in 1918 and he received an honorary L. L. D. from the same university in 1935. In 1920 Dr. Brown earned his master's degree at Harvard and in 1924, his Ph. D. He is a member of Phi Beta Kappa, Delta Upsilon and has numerous honorary memberships to such organizations as Tau Kappa Alpha and Pi Delta Epsilon. Before becoming president of Hiram College in 1930, Dr. Brown served as assistant in English at Harvard and professor of biblical literature at Stephens College. He came to Denison in 1940.

TO THE CLASS OF 1942 . . .

April 16, 1942

I write this soon after listening to the announcement of one of the war's most spectacular air missions, wherein some thirteen American planes, including flying fortresses, flew from Australia to the Philippines, a round trip of perhaps three to four thousand miles, and destroyed with great success enemy concentrations of troops and supplies, docks, air fields, and railroads. That is the kind of world into which you are graduating. For it, and for the strenuous post-war world which will follow, you will need strong nerves, and a fit body, and a trained mind, and perhaps most of all, sturdy convictions regarding those things in life which are of primary importance, worth living for, as well as dying for.

I dare to hope that during your four years Denison has helped you to build these essentials for successful living in your world of war and of the coming peace.

KENNETH I. BROWN, President

SENIOR

CLASS OF 1942

After passing entrance exams and sophomore tests for the first time in Denison's history, the guinea pigs of '42 have trudged through four years filled with achievements great and small. They have seen years of progress with a new community form of campus government, a new president, and new social and academic buildings.

Since our boisterous participation in two dormitory and fraternity raids plus several scrap days, we have become acutely aware of a certain scrap of Uncle Sam's. Some of our classmates have already left for the service and in June the rest of us will be out to do our bit to build a peace in this chaotic world. We enter into this willingly and hope that our four years here at Denison will not have been in vain.

JUNIOR

CLASS OF 1943

Presenting a sketch of the junior class, or those who, in another year will be taking their comprehensives—they entered as freshmen in the fall of '39 and were the usual green crop of students and had visions of Phi Beta keys and activity medals. Some reached their destination, while others were side tracked. The class membership dwindled at the end of the sophomore year, but those who returned in the fall of '41 were a more mature and united group. Until then they had not been interested in student government, but new responsibility took hold and they elected class officers.

The zenith of social functions enjoyed by the student body is the Junior Prom. At this time the temporary structure donned a completely new internal spring-like garb, and in this guise, plus the romantic strains of Bunny Berigan, it was enjoyed by all.

Athletics

IT IS upper-most in the minds of the athletic directors to have all men students participate in some sport. To do this a well rounded sports program has been established. Those who are unable to take part in the varsity sports, will find an excellent intramural system built up for them. Intramural sports, as well as in varsity sports, the goal is hard but there is keen clean-fought competition. On the following pages are pictured the men and women endeavoring to maintain the high ideal of the school's sportsmanship. And as for seeing how our teams have done, see for yourself.

DIRECTOR W. J. LIVINGSTON

To develop good strong healthy bodies is "Livy's" fundamental principle. With his clear, clean-cut physical program he is realizing his dream of good sportsmanship.

ATHLETICS

ABOVE—These are the men who deserve the credit for keeping that chatter in the stands; Bill Rogers, Ed Holtz, Alfred Sites, and Dave Sloan. (doing a flip).

LEFT—A group of contestants at the intramural indoor track meet.

Here is a traditional figure seen wherever Denison Sports are played. It is director Walter J. Livingston.

"D" ASSOCIATION

It has long been the custom that any Denison man who wins a letter in any varsity sport is eligible to become a member of the athletic honorary, the "D" Association. It is the duty of every "D" man to enforce to the best of his ability all of the Denison traditions, such as the wearing of a freshman cap, proper group seating of the freshmen at all athletic contests, and the prohibiting of smoking on the campus.

Then too, the association sponsors such events as the torch-light parade before the opening and homecoming football games, and a scholarship committee which aims to maintain high grades within the group, and on the freshman class. This year the "D" association climbed into the social limelight by promoting a very successful sweater dance held in Curtis Hall. Judging from the response, the dance will probably appear annually on the Denison social calendar.

Two initiations are held each year, one in winter and another near the end of school. Every senior "D" man is given an emblem upon graduation.

Richards, Neff, Robinson, Miller, Wentis, Chapman, Dees, Laniz, Hannaway, Childs, Brophy.

FOOTBALLERS

Spring football practice produced a little confidence for next year's season.

Sid Gillman, assistant coach (Sid goes to join the Miami University coaching staff next year) Captain Jack Jones and Tommy Rogers, head coach, look over the 1941-42 team.

THE SEASON

The Big Red of Denison University can well look back on the most successful season they have had in 27 years. Led by Tommy Rogers and ably assisted by Sid Gillman, an enviable record of seven wins, one defeat, and one tie was piled up. While scoring a total of 200 points, the Rogersmen held their opponents to a mere 29 points for the second best defensive record in the state.

Captain Jack Jones and Bud Trautman fittingly ended brilliant careers by being placed on the second team in All-Ohio Conference selections. They, along with eight other seniors including Athey, Bellar, Dell Johnson, Dippery, Riley, McCarthy, Stumpf, and Ward, will leave a gap that will be hard to replace. Also, Urb Hubona, hard driving fullback whose gains contributed much to the Big Red success till he was injured, has left to serve in the armed forces.

But such stalwarts in the line as Hanaway and Robinson, co-captains-elect, and Myers, Elsaesser, and Goodrich should form a nucleus for another strong Big Red team next year allowing, of course, for loss of men through national emergency.

DENISON 51

RIO GRANDE 0

A scoring parade featured Denison's crushing first game defeat of Rio Grande. The visitors were completely outclassed and made only one serious threat to score as the game ended on our two yard line.

DENISON 32

MT. UNION 0

Again the scoring power of the Big Red showed itself as Mt. Union was trampled upon 32-0. Capt. Jack Jones and Urb Hubona starred combining running power with passes to be instrumental in four of the scores. Stumpf completely fooled the Purple Raiders on a reverse to score the other touchdown.

DENISON 2

WOOSTER 10

A hard fighting Wooster squad limited Denison's punch to the space in-between the twenty yard lines, and the Big Red dropped the game 10-2 although piling up 15 first downs to the visitors 4. The superior kicking of the Wooster team was the big factor in deciding this battle.

DENISON 6

MUSKINGUM 0

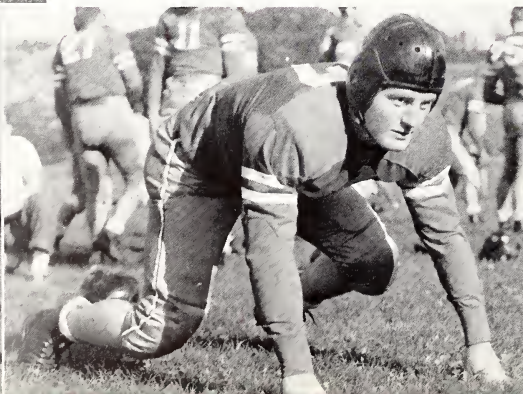

A very wet Homecoming crowd saw an evenly matched, hard fought football game that brought a narrow margin of victory to the Big Red. The scoring drive was led by Capt. Jones who finally tallied from the 13 yard line. Statistics show a very even ball game, but the hard fighting Denison mudders well deserved the victory. Capt. Jones and Joe DiTirro were especially outstanding in the backfield, and the two stonewall tackles, Hannaway and Robinson, deserve special mention for their line play.

DENISON 7

OHIO NORTHERN 7

Performing before Ohio Northern's homecoming, the Big Red gridders battled their opponents to a 7-7 tie. As usual, we started out strong, pushing our only score over midway in the first period. But the determined second half attack of Ohio Northern left the Big Red very much on the defensive, and the score was tied. A last Denison effort to win failed as Mallone, great Ohio Northern end, blocked Trautman's attempted field goal from the 30 yard line in the final minutes.

DENISON 19**MARIETTA 0**

Denison's power and speed overcame a small Marietta eleven at the latter's homecoming celebration. Two long runs by Jones and Riley respectively, and a center plunge by DiTirro produced the final margin of victory. The vaunted T-formation as used by Marietta proved ineffective against the Big Red defense. Riley came into his own as a ball carrier as he and Jones led Denison ground gainers with 6 and 11 yards per try respectively. Statistics proved Big Red's superiority as we led Marietta with 15 first downs to their three.

DENISON 32**BETHANY 0**

Before a Dad's day crowd the Big Red showed their power to crush Bethany 32 to nothing. Ten seniors played their last game on Deed's Field and helped make it a field day for the Big Red. Jack Riley stole offensive honors with two sensational runs totaling 95 yards as Capt. Jones was on the bench often the first quarter with injuries.

Jerry Robinson is the odd man in this picture of a Senior lineup.

Dave Sauers is right behind those blockers and he didn't stop until he had made a good gain.

DENISON 36

OBERLIN 6

Again Denison showed convincingly the power of its football team as Oberlin went down in defeat 32-6. After a slow start as Oberlin scored their only touchdown, the Big Red gained and scored almost at will. Four scores resulted from passes from the arm of Capt. Jackie Jones, and another pass by Joe Di Tirro took care of the other score. The running attack led by Jack Riley piled up 405 yards to Oberlin's 63.

DENISON 19

WITTENBERG 6

Ending the season with a convincing victory over last year's state champs, the Big Red gave Denison its best season record in 27 years. Jackie Jones ended his football career fittingly as he completed 12 out of 16 passes and otherwise led the team to victory. Ten seniors helped contribute to the final victory of the season. The stalwart Big Red line gave a typically good performance with juniors Hannaway, Robinson, Myers, and Goodrich giving us hope for next season and with Bud Trautman starring in his last Denison game.

FRESHMAN FOOTBALL

Under the able guidance of Coach Madro, the freshman team developed into a fine squad. Some of the boys who did outstanding work and make the outlook for Tommy Rogers' Squad of '42 bright are: Dick Koster and Bob Englehart at the end positions, Jack Hannaway and Charles Plank at tackle, and Nick Rotz at guard.

The early fall season saw the freshmen hopefuls on Deeds' practice field every afternoon going through stiff limbering-up exercises. Following this workout they practiced offensive plays to be run against the varsity. Scrimmages with the varsity gave the freshmen a chance to show their ability, and gave the varsity a preview of the plays of their future opponents.

The freshman team had no regularly scheduled games during the season. The customary game with the varsity was omitted because of the varsity's full schedule. There were, however, frequent inter-squad games.

FIRST ROW, left to right—Douglass (manager), Ward, Dormeyer, Klingbeil, Welch, Gallagher, Klien, Hooper, Jones (manager); SECOND ROW—Hannaway, Lane, LaMoreaux, Hummel, Browne, Plank, Englehart, Eschman (manager), Wyler, McElliven, Fowler, Gentry, Tippet, Crocker, MacKeever, Coach Madro.

BASKETBALL SEASON

The Big Red got away to a slow start this season, dropping its first four games. However, after they once got their feet on solid ground they proved a formidable team. Of the fifteen contests Denison won seven, losing many of the others by only a slight margin. Captain "Ike" McFadden again was the team's individual high scorer, garnering a total of 205 points. This is the second season in succession that McFadden has scored over 200 points. "Goose" Gosnell was runner-up for scoring honors, having reached to 123 point mark.

Closing the campaign with a victory over Marietta, six veterans played their last game. Those seniors are: McFadden, Johnson, Gosnell, Jones, Larson, and Marquardt. Larson, though not a senior, will not return because of his enlistment in the air corps.

Next season's prospects are very bright considering the return of Gray and Wuichet, and such sophomores as Loehnert, Gwinn, and Dick Marquardt.

DENISON 46

The Big Red opened the season by playing Kenyon in the wigwam. The 13 points made by Wuichet and the 12 by McFadden were not enough to beat the Kenyon men.

DENISON 44

The Big Red again wound up on the short end of the score when they met the Polar Bears. McFadden led the team in scoring with 19 points.

DENISON 58

Paced by Captain Geist's 25 points, Capital eked out a victory in a nip and tuck battle on Capital's home floor.

DENISON 38

Again the Denison cagers finished second best; this time before the onslaught of the brilliant Wesleyan quintet.

DENISON 68

After four heart-breaking games Denison swamped Oberlin in a real thriller. McFadden and Gosnell were high scorers for the Big Red with 19 and 12 points respectively.

DENISON 35

Wittenberg barely edged out a two point margin over Denison to take the honors in the mid season game held at Springfield. Never, during the entire game, were the two teams more than four points apart. In this game Rod Harrison finished his Denison basketball career.

With the team really clicking, Denison took the Otterbein Cardinals to the tune of a 56 to 33 score. It marked the Big Red's third victory of the season.

DENISON 64

CAPITAL 48

Avenging their defeat away from home, the Big Red cagers didn't have much difficulty humbling the Columbus team. Before game time Capital was favored 6 to 1 to take the tilt. Captain McFadden again took the scoring honors with a total of 18 points.

DENISON 43

OTTERBEIN 39

It was a repeat for the Denison team when they took Otterbein into camp, sparked by the sharpshooting of Bob Gray. In this game played at Otterbein Gray garnered 15 of Denison's 43 points.

At Delaware the Jenkinsmen chalked up their fourth straight win. Accurate passing and good teamwork accounted for the victory. Gosnell and McFadden totaled 11 points apiece.

DENISON 53

WITTENBERG 47

The wigwam five avenged their early season two point defeat by beating Wittenberg by a decisive score. The home team's passing was a pleasure to behold. It was said that this was one of the Big Red's best played games.

DENISON 39

MUSKINGUM 45

The Muskies came from behind in the last five minutes of play by scoring twelve points.

DENISON 46

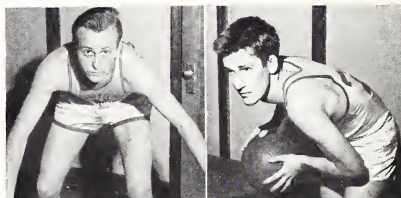

KENYON 52

Kenyon again defeated the Big Red by the same score as in the previous game. McFadden scored 25, or over half, of Denison's total, but didn't have the cooperation of his teammates as far as scoring went.

DENISON 63

MARIETTA 42

Denison wound up the season in a successful fashion by giving a thorough trouncing to the Marietta boys. Gray turned in another sparkling game, scoring 18 points.

The men at the top are David Marquardt of Dayton, Ohio and John Lockhart of Bexley, Ohio. Pictured at the bottom is part of the sparkling play that upset the league leaders. Denison—64 Capital 48

FROSH BASKETBALL

Early this season when Tommy Rogers called all those freshmen that were interested in playing basketball thirty-six aspirants turned out for the team. Of these, thirteen were selected to form the final squad.

Although the freshman team has no outside games scheduled, they see plenty of action when they play the intramural "A" league teams. They play the fraternity teams before each varsity home game. In their final game of the season the freshmen were beaten by the Sigma Chis to mark their first defeat in over seventeen years. Besides playing the intramural teams, the first year men held several scrimmages with the varsity, and, in the light of those scrimmages, several have been predicted as future varsity basketballers.

Those who comprised the final squad this year were: Jim Staudt, Bob Kuenzel, Bill Carstensen, Chick Plank, Bob Brigham, Bob Vanderveer, Jack Futerer, Jim Glatz, Glynn Price, Kenny Cagwin, Gene Welch, Key Gallagher, and Ray Hooper.

FIRST ROW, left to right—Hooper, Staudt, Cagwin, Vanderveer, Price, Welch; SECOND ROW—Plank, Kuenzel, Glatz, Brigham, Carstensen.

THE SEASON

- April 21—Denison vs. Otterbein at Westerville
- April 24—Denison vs. Ohio Wesleyan at Granville
- April 29—Denison vs. Capital at Granville
- May 5—Denison vs. Muskingum at New Concord
- May 8—Denison vs. Ohio Wesleyan at Delaware
- May 15—Denison vs. Otterbein at Granville
- May 19—Denison vs. Capital at Columbus

Chilly days in early March saw the Denison baseball team on the practice field once again. Most of the team stayed in Granville for a little practice during spring vacation, but poor weather prevented this to a certain extent. With the return of eight veterans and the addition of promising sophomores, the team should at least equal last year's good record of six victories out of nine starts.

Last season marked the best record that the Big Red baseball team has chalked up since 1925. One of the outstanding features of last season was Collins's no hit, no run pitching in the opener with Kenyon. It might be well to note that Collins will be in this year's lineup.

The man is safe as a high throw draws Stumpf off of the bag.

Captain Bob Grabner slides into second in a practice game.

The first part of the season was coached by Sid Jenkins while Sid Gillman, the regular coach, was away. However, Gillman returned late in April to take up full time coaching duties. The team lines up with "Ike" McFadden at first, unless the sprained ankle he received in track practice keeps him out, Captain Grabner holding down second, Welf at third, Loehnert at shortstop, and Wentis catching. The outfield is taken care of by either Brigham, Stumpf, Stransky, Duncan, or Seils. Collins was again the mainstay in the pitching staff and he was supported by two sophomores, Lytle and McFarland. Scores were not available at press time but predictions of the short season were favorable for an even better season than last year.

Captain Bob Grabner waits for the throw at second.

TOP ROW, left to right—Bob Lytle, Waterville, O.; Frank Collins, Hillsboro, O.; Oliver Welf, Cleveland, O.; Jack Brigham, Winnetka, Ill.; Bob Duncan, Newark, O.; SECOND ROW—Ralph Stumpf, Bay Village, O.; John Loehnert, Bexley, O.; Bob Grabner, Cleveland, O.; George Watkins, Massillon, O.; Bernie Wentis, Rochester, N. Y.

ABOVE—Captain "Duke" Smith easily clears the high hurdles well ahead of all competition. BELOW—Hugh Irwin, sophomore, wins the mile and he still has enough left to run the two mile.

The Big Red track team is out to repeat last season's victories and to again win the Ohio Conference meet. Duke Smith, captain of the team was judged as the most valuable member of last year's team. Being high point man he received the A. A. Shaw trophy. The returning letter men are Smith, Riddle, Ashley, and Fitch. Tommy Rogers has the problem of building up a new field event section since none of his last year's men are returning. Last year he developed the strongest field men that Denison has seen for a good many years. His men shattered three of Denison's old records. Urban Hubona set a new javelin record of 186 feet 6½ inches; Al Barren broke his own record in the shot put by heaving the weight 47 feet 7½ inches. Rod Harrison set a new record with the discus of 138 feet 8¼ inches. Richards, Gray and Dentel are taking the places of these men in the field events.

Three sophomores have proven that they can somewhat counteract this deficiency in the field events and they are Hugh Irwin, mile runner, George Jaschke, mile runner, and Dick Conrad, a two miler. This counteraction wasn't quite enough in the first meet for Ohio Wesleyan eked out a victory by the narrow margin of 69 1-3 to 61 2-3.

SEASON'S SCHEDULE

- April 18**—Ohio Wesleyan at Granville
- April 25**—Wooster at Wooster
- May 2**—Cincinnati at Granville
- May 9**—Muskingum at Granville
- May 15**—Preliminaries for the Conference meet
- May 16**—Ohio Conference at Oberlin
- May 23**—Baldwin Wallace — (tentative night meet)

This may have been the jump that beat us for we lost this event and meet to Ohio Wesleyan. (69¾ to 61½).

Mort Leggett and Hugh McCulloch do little practicing during the week.

Charles Akers practices the javelin. Bob Gray helps him throw this for Denison.

May 2—Ohio Wesleyan at Granville
May 6—Muskingum at New Concord
May 11—Capital at Columbus
May 15—Ohio Wesleyan at Delaware
May 16—Conference meet at Oberlin
May 18—Otterbein at Granville

Prospects are good for the Denison tennis squad as lettermen Bob Gray, Delbert Brannan, and Jack Jones return to form the nucleus of this year's squad. With these outstanding veterans on deck, chances look good for the team to come up to its fine 1941 record of winning all conference matches and taking third in the conference meet.

Bob Gray will again play number 1 for he lost only one match last year, and Debbie Brannan in number 2 position will attempt to keep up his victory string of losing only one match after two years of varsity competition. And aside from Jack Jones new members must fill up the rest of the squad.

KNEELING—Vickers, Brannon, Holtz, Campbell; STANDING—Howard, Pattison, Gray, Jones, Danner Mahood.

LEFT TO RIGHT—Bud Holt, Dick Petrequin,
John Alder, Dick Buttermore, Bob Hastings.

The golf team has set out this season to repeat its record of last year; no defeats in dual competition. Last year's team was composed of George Trautman, Jack Brigham, Scott Campbell, and Charles Stiner. They brought to Denison a second place from the Ohio conference meet.

This year, with a completely new team, an entirely unpredictable season will be played. This new team is composed of Dick Buttermore, number one man; John Alder, number two; Bud Holt, number three; and Dick Petrequin and Bud Hastings alternating for number four position. At press time the team had played two matches winning one and losing one.

MEN'S INTRAMURALS

SPEEDBALL

The Sig Alphas succeeded Sigma Chi as speedball title claimants by outdistancing the field in the fall sport. The Phi Gams, Sigs, and Betas tied for second place.

TOUCH FOOTBALL

Inaugurating the new fall sport, Sigma Chi tied the Phi Gams in the final game of the season to win the championship by a narrow two point margin. Phi Gamma Delta finished second.

VOLLEYBALL

New wearers of the volleyball crown are the Sig Alphas, having nosed out their closest rivals, Kappa Sigma, last year's title holders. The Betas and Lambda Chis tied for third.

FALL RELAYS

Showing their heels to the second place Lambda Chis, the Fiji speedsters garnered the most points to place first in the fall meet. Sigma Alpha Epsilon finished third, some eight points behind the runners up.

"A" LEAGUE BASKETBALL

After losing the first game of the season, the Sigma Chis downed all their following opponents to win the title for the second consecutive year. Second place was held by the Betas, who gave the Sigs a hot battle in the final and decisive game.

"B" LEAGUE BASKETBALL

The close of the season saw Kappa Sigma emerge as the winners in the "B" circuit. In one of the most exciting games of the season the champs defeated the Betas 22 to 20 in a three minute overtime to give them undisputed first place.

A group of three volleyball games provide lots of excitement.

SWIMMING

After qualifying at least two men in each event, the Sigma Chis went on to win the swimming meet on the following day by a good margin. The Sig victory marked the first time the Phi Gams have been beaten in several years. High point men were Jim Schulke and Dick Ward.

INDOOR TRACK

Taking points in almost every event, the Phi Gams again showed their proficiency at track when they annexed the title in the annual indoor track meet. The Sigs finished second, followed

by the Kappa Sigs. Dave Allison, Sig freshman, tied the indoor record for the 440 yard run.

WRESTLING

The Sig Alphas repeated last year's performance by again capturing the wrestling crown. The Betas finished in the second spot. Some of the other individual winners were: Frank Johnson, Phi Gam heavyweight; and Jack Moorehead, who took top honors in the 145 pound class for the Sigs. Dick Prosch, Sig, and Tom Edwards, Sig Alpha, repeated their victories of last year in the 155 and 125 pound classes respectively.

Women's Athletic Association carried on a successful year with a competent Board and a peppy and cooperative group of members. The new Shelter House pleased Muskingum and Wittenberg in the Fall Sports Day, sponsored by the association.

One of the highlights of the year was the Camp Leadership Course in October at the W. A. A. cabin. This was followed by the hilarious "Class Cut-Ups" in which the Frosh won the day.

Representatives of the Association attended a national conference of college W. A. A. organization at Wellesley, Massachusetts, this Spring, climaxing another year of great accomplishment.

FIRST ROW, left to right—Donner, Stoddard, Armstrong, Cowan; SECOND ROW—Kleindienst, Richards, Hoffhine, Green, McFadden; THIRD ROW—Tight, Crisp, Legler, Winans, Bash, Jones, Lentz.

Doug Bacon and Scott Pruyn provided a little entertainment at the W. A. A. winter carnival dance.

Spring weather brings out the discus and other spring track events down on the women's athletic field.

Caella displays another track event by throwing the javelin.

The Women's Physical Education program offers a great deal to the coed: a chance to exercise, to socialize, and to compete cooperatively.

Both underclassmen and upperclassmen take part in the great variety of sports offered by the department out of feeling of loyalty to their class and sheer joy of play.

ORCHESIS

"With movement I will worship God"

Although a subsidiary of W. A. A. Orchesis is independent. It is a national honorary for girls especially qualified in the dance. There are weekly meetings during which members dance for their own pleasure. May Day is an occasion when Orchesis does some dances; annually they give a spring recital which is the real climax of the year's work.

Nancy Bash was student head of dancing; she will be succeeded by Elma Mae Hilscher.

WOMEN'S INTRAMURAL ATHLETICS

WOMEN'S

Physical fitness leads the way—
That new sport is here to stay.

Hockey is a vigorous game;
Many used it to climb to fame.
It was a wonderful season with plenty
of action. The sophs won the inter-class
championship.

Yes, and riding is quite a feat;
Especially if you can keep your seat!
In the annual Dad's Day riding meet
the freshmen placed first.

Since the war, exercise is stressed;
Basketball satisfies some of us best.
By crushing all hopeful adversaries
Stone Hall captured the inter-dormitory
crown. The frosh also won the inter-
class championship.

Inevitable is the snow and ice;
(Granville?)
Winter Sports! Do these words suffice?

Catching, throwing, and batting a ball,
As out for the baseball team we crawl.
On spring afternoons Coach Barr's
protege's may be seen energetically
"doing their daily dozen."

Archery's fun if you hit the bull's eye;
In an exciting tournament all classes vie.
Sharpshooters of the sophomore class
beat the other three classes in this sport.

Life in sports would not be complete
If we didn't have golf in which to
compete.
The possibilities this year favor the
freshmen.

INTRAMURALS

For exercise galore and lots of fun
Come on out to track to jump and run.

In the pool with many a splash
Practice awhile; then the annual clash.
In this, the freshmen vanquished their elders.

Tennis is one of our major sports
And good for health from all reports.
For her four years here Vi Kleindienst
has beaten every opponent to challenge
her tennis championship.

Nimble and quick and hit 'em hard;
Badminton can be played in any
backyard.
Class of '44 had an undefeated team
their freshman year and retained that
honor this year.

Every year the gals turn out
To sock those volleyballs about.
Due to the basketball tournament
there was no inter-dormitory competi-
tion. However, in the inter-class race
the sophs were victorious.

Surely you all want to be physically fit
Well get out in the air! Don't sit home
and knit.

So that's the story of the W. A. A.
Of all the girl's work (?) and all their
play.

Out on the road for a nice long hike,
Or on highways and byways riding a
bike.

Under the trees finding hidden trails
Tramping's a sport which never fails.

To skate in the sun all around town;
A way to keep fit while getting a brown.

In winter go sliding or try to ski,
It's not so simple as you'll soon see.

Never forget our cabin in the wood
A place to love nature as we all should.

Great is the life of a out-of-door hike
We should all try it a whole lot more;
in the rain, snow, and sun alike.

RACCOON RAMBLERS

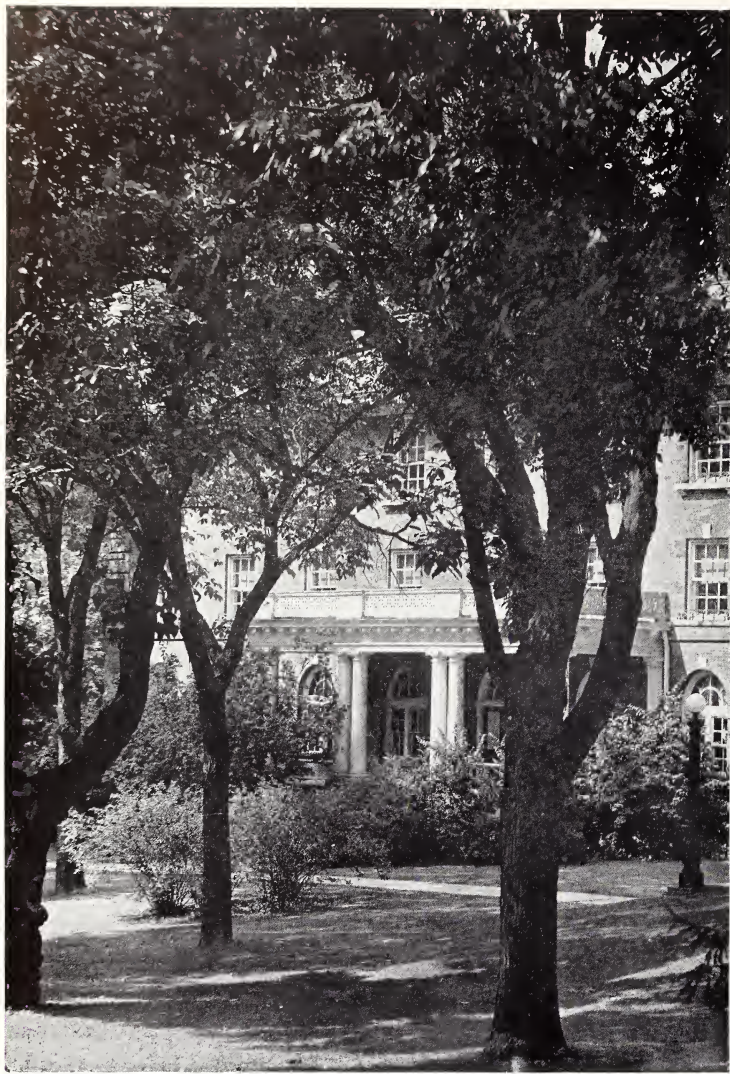

Under Casella Call the Ramblers had a busy year. New members were initiated and the annual Winter Carnival dance, Pow Wow, and Barn dance were held. The spring season has opened up many a chance for the well known Denison picnics.

It is a jump ball in one of the many games in the Women's Gym.

Casella Call takes the hurdles with plenty to spare.

Marilyn Goetz and Eleanor Ford draw a bead on the target.

Organizations

WHILE encouraging the fullest measure possible of student self-government, the University recognizes the fact that individuals and groups among the undergraduates require a reasonable amount of personal oversight in their various undertakings, whether or not directly connected with the curriculum. For this reason, the students have probably enjoyed a campus which is over-stuffed with organizations. However representation of all interests can be found here—from the religious groups to the bridge builders—and that is truly an advantage.

STUDENT GOVERNMENT ASS'N.

The D. S. G. A., based on the principles of democracy, is the student governing body in which both men and women take an equal part. The Student Senate, composed of twenty-six students representing all phases of collegiate life, is the nucleus of the D. S. G. A. about which revolve the Men's and Women's Councils for matters peculiar to either men or women and the Boards of Control which cover all fields of activities.

As a connecting link between the students and the faculty, there is the Student Affairs Committee.

By means of the D. S. G. A. students are given a voice in deciding their affairs.

The well-known and highly recognized Senior men's honorary, O. D. K., ranks high among Denison's honoraries. O. D. K. awards membership to those senior men excelling in their particular field of work.

Once a month the members meet in one of the faculty homes and discuss the campus activities. In this way the best leaders in many fields have an opportunity to become acquainted with what the leaders in other activities have accomplished.

This group is chiefly an organization for frank discussions of campus problems and serves to correlate the various campus activities.

With President Edward McFadden to steer the course, the O. D. K. has carried out a successful year.

MORTAR BOARD

Mortar Board is the national honorary for Senior women having a high scholastic average, participating in activities, possessing great leadership and an all-around personality. The fundamental aim of this select, carefully chosen group is to promote further the qualities characteristic of the members.

Busier than ever this year, they had the traditional Homecoming breakfast for the alums, an hilarious Smarty Party for good students only, and, as a boost to their financial status, a silver survey was a major project.

Under the competent guidance of Barbara Love, president; Leslie Seagraves, vice-president; Dorothy Winans, secretary; Mortar Board has maintained its usual prominence on campus.

THE BLUE KEY

Blue Key is a men's national honorary with the purpose of honoring Junior men who are leaders on campus. The men are chosen for leadership, service and scholarship.

As a service organization, Blue Key members are constantly at work. They judge the Homecoming decorations, and they are in charge of the election of the Homecoming and Dad's Day Queens. During the spring they escort visitors over Denison's campus. They are also responsible for maintaining the names of past Denison presidents on metal plates beside trees along the drag.

With Jack Brigham inserting the Blue Key into the right keyholes, assisted by vice-president, George Trautman; secretary, John Nichol; and treasurer, Ray Hudson, the Blue Key kept up its fine record.

Headed by Ellen deBary, president; Marilyn Koons, vice-president; Ann Bartholomew, secretary, Jean Crisp, treasurer; and Janet O'Bryan, social chairman, the members this year have accomplished the following things: revised the constitution of Crossed Keys, served breakfasts in the dormitories on Sunday, collected money for the Band at the Dad's Day football game, passed out programs at the May Day festival, backed conservation and emergency war work, and held monthly supper meetings with discussions.

This organization, corresponding to the Pan-Hellenic Council, governs the actions of Denison's fraternities. The Council was guided by Dick Bridge, president; Ray Hudson, vice-president; and William Taylor, treasurer.

As usual, the Council discussed such matters as freshman dormitory problems, fraternity finances, and rushing rules. A universal date for initiation was set. Due to the National Defense Program, the problem of fraternity chapters for the next year is great. This problem was discussed from all possible angles with an eye toward improvements.

One of the most important events was the song contest on Mother's Day week-end.

PAN-HELLENIC COUNCIL

The Pan-Hellenic Council at Denison is the governing body for the activities of the eight sororities.

It establishes the rules by which the sororities must conduct their rushing. Being composed of two delegates from each group, it forms a means of communication between the sororities.

On March 20, Pan-Hell had their annual spring dance. In January they sponsored a movie for the benefit of the Red Cross. They decided to do away with the customary song contest, as well as not to have orchestras for the Women's Spring Formals.

Under the guidance of Miss Olney and the leadership of Skippy Kornman, the Council was successful in promoting friendship between the groups.

This year, under the leadership of Barbara Love, Y. W. C. A. had one of its most successful years. Aiding Barbara were Marjorie Smith, vice-president; Dorothy Card, secretary; and Sue Martz, treasurer.

Last summer nine girls went to Lake Geneva for the district convention. The study program this year included democracy, the cooperative movement, and a program for the duration of the war. Discussion groups were held once a month. Democracy was encouraged on the campus and personality development was also encouraged.

All through the year, Y. W. has given lunches to the poorer Granville high school students, and at Christmas the girls each "adopted" a child to whom they gave presents.

Y. M. C. A. this year was headed by John Orwig, president; Tom Trout, vice-president; Marvin Dees, treasurer; and Scott Pruyn, secretary. Y. M. C. A. was divided into two organizations this year—Freshman Y and Y. M. C. A. This change was made so that the new men might gain a feeling of initiative and independence.

The Y this year cooperated with Y. W. C. A. more than usual. There were several joint meetings. Last summer three students and Dr. Detweiler went to the Geneva Conference, a joint conference with Y. W. C. A. There was also a Y conference at Otterbein the weekend of April 17th. Although Freshman Camp was eliminated this year, the Y. M. C. A. took capable charge of Freshman Week.

The Shepardson Glee Club, under the capable leadership of Dr. King Kellogg, has completed another successful concert year. This year they gave many concerts in neighboring towns, such as Newark and Alexandria. They also sang at the Granville high school and at Ohio State.

On campus the Glee Club's activities consisted mainly of chapel programs and a concert in the spring for the townspeople and the college. They also gave a joint concert with the Men's Glee Club on Mother's Day.

The officers for this year were: Charlotte Johnson, student conductor; Leslie Seagraves, business manager; and Joanne Swartz, treasurer.

The Men's Glee Club was under the leadership of Mr. Eschman, Mr. Giddings, and Mr. Dustman respectively. The changes in leadership, however, did not disrupt their program, for the boys rehearsed and presented songs from Essex County Tunes to Negro spirituals, from sea chanties to the Lord's Prayer.

The members chose Delbert Brannon as their manager; Duke Smith, student conductor; and John Wyman and Duke Smith as accompanists.

The Glee Club sang at the Granville high school and on a chapel program. Their annual Spring Tour had to be canceled due to the national tire shortage.

John Wyman and Fred Higginbottom received recognition for their arrangement of Eliza, which was presented in the spring.

THE DENISON ORCHESTRA

The Denison Orchestra worked hard practicing for its various presentations given throughout the year. Its membership was composed, not only of students from Denison who were studying at the College of Music, but of musicians from Newark and Granville.

This orchestral group, under the direction of Mr. Eschman the first semester and Mr. Gelfer the second, provided the instrumental background for the operas, TRIAL BY JURY and THE MAID MISTRESS; for the Messiah, which was given at Christmas in the chapel; and for the performance of Elijah, presented during the Spring Festival Week. A few of the members played with the Licking County Symphony Orchestra during that Festival Week.

Sigma Delta Pi is a national Spanish honor fraternity which was established on this campus in 1931. The purpose of this organization is to foment a wider knowledge of and a greater love for the Hispanic contributions to modern culture and to stimulate a greater interest therein.

This chapter has the honor of having one of its members as the national president, F. Dewey Amner. One of the activities of the members is to prepare exhibits pertaining to their subject which are sent to other chapters.

This year a medal will be awarded by the American Association of Teachers of Spanish for excellence in Spanish.

Organized to promote fellowship, to develop character, and to foster and nourish the appreciation of good music and performance among students, Delta Omicron is composed of members of the sophomore, junior, and senior classes. Women with musical talent and ability and interested in pursuing the course of music are granted active membership.

The thirteen members this year were headed by Joann Swartz, president; Elizabeth Myler, vice-president; Elinor Schubert, secretary; and Phyllis Reid, treasurer.

Activities this year included arranging transportation for the concerts in Columbus and a joint reception with Phi Mu Alpha for music students.

PHI MU ALPHA

Organized to forward music by and for Americans, Phi Mu Alpha has helped to maintain a higher standard of music at Denison and striven to recognize individual achievement and to further stimulate members and non-members in their musical activity.

I KILLED THE COUNT

THE SHAKESPERIAN REPERTOIRE COMPANY

The production of "I KILLED THE COUNT" opened the play season for the Denison varsity actors. It was an amusing mystery story which kept Detective Welf guessing when he found numerous confessions to the same crime. The second play of the year was replaced by a series of short Shakesperian plays presented in January. This troupe did not keep its talent within the limits of Granville but rather it bought two old hearses and then traveled to surrounding Ohio towns.

"WINTERSET"

"OUT OF THE FRYING PAN"

The end of February brought to University theatrogoers a beautiful production of "WINTERSET;" Maxwell Anderson's stark tragedy of injustice and revenge. The unique technical effects and two of the most realistic settings ever to grace the stage of the Opera House made success inevitable. On March 26, the freshmen made their bid for honors by giving the highly farcical play "OUT OF THE FRYING PAN." Although not pictured here, Jerry Cowles play, "IT SHALL COME TO PASS," was presented to an invitational audience. Much praise and honor is given to Jerry for her splendid production. The last performance of the year was "THE BARRETTS." The success of this must be taken for granted for its presentation came after the annual's publication.

PI DELTA EPSILON

Highlighting the 1942 activities of Denison's chapter of Pi Delta Epsilon, national journalistic fraternity, was the annual national convention held on Denison's campus Nov. 14 and 15. Dale H. Gramley, Grand President, was present along with delegates from twenty other chapters of the fraternity. Honorary membership was conferred upon President K. I. Brown and Miss R. A. Outland.

Sponsor of all journalistic efforts on the campus, Pi Delta Epsilon supervises issuance of the Student Directory, Portfolio, the Adytum, the Denisonian, desk blotters, and football programs.

Membership, based on at least two years of superior work on the staffs of the Denisonian, Adytum, or Portfolio, is selective in the spring.

For the 85th year Denison's newspaper publication has informed the student body of school activities, current affairs, and issues of interest to all Denisonians.

Staff members meet on Sunday evenings at the Denisonian room, where the editors make out the dummy, and reporters type out stories, write headlines, or even create stories to fill space. On Monday nights the editorial staff meets again for proof reading.

The staff this year was headed by John Pace as editor-in-chief, Tom Atkinson, Ed Hartenian as associate editors; and sports editor, Mort Leggett. Jeff Roberts was business manager; Hugh McCulloch, head of advertising; and Jack Ellor, circulation manager.

THE PORTFOLIO

Continuing its aim to be a means of expression for creative writing for Denison men and women, the Portfolio was published the customary four times this year.

In publishing a variety of literary work, the magazine gave a cross section of Denison's thinking and creating in short stories, essays, poetry, reviews, music, and drama. An outstanding story, treating a delicate subject in a praiseworthy manner, was "The Dance" by Margaret Shields, class of '44.

The inclusion of a two-color fall scene which appeared in the first issue made a colorful addition to previous issues of the Portfolio. Franklin Dippery, editor-in-chief, ably directed his staff of eight.

ADYTUM STAFF

THIS page is devoted to those students who have worked throughout the year gathering facts—either literarily or pictorally—for the 1941-42 edition of the Adytum. Their aim has been to offer a pleasant history of the past year at Denison.

Two innovations undertaken this year bear the mark of progress made by the Adytum editor-in-chief, Dick Prosch, and his faithful staff members.

Sixteen pages at the beginning of the book are devoted entirely to scenes of Denison's superb campus—depicting all its beauty, inspiration and romance.

In place of the old-fashioned faculty pictures used for many years, new portraits of the professors and instructors have been taken in departmental groups. To add interest and attractiveness, the background of the pictures consist of details characterizing each department.

Debating the question "Resolved: that the Federal Government should regulate by law all labor unions in the United States," Denison's debaters spent a busy year in tournaments, exchange debates with Ohio University, University of Rochester, and Muskingum College, and practice debates with Ohio Wesleyan University.

At the national contest at Manchester College, Manchester, Indiana, and at the Ohio Debate League annual contest in Columbus Denison won seven out of twelve debates.

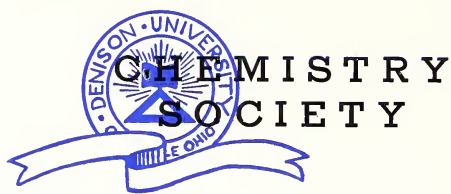

Freshmen debaters managed by Warren Howell won four out of six debates at the Ohio League freshmen contest held at Ohio University

DEBATE

The Denison International Relations Club had one of its most stimulating and interesting years during 1941-42 due to the growing interest in current events. Students were most enthusiastic since each meeting offered a summary of events since the previous meeting and discussion and lectures lead to a better understanding of the world situation.

This year the club sponsored student participation in chapel services; tests of TIME MAGAZINE, administered to fraternity and sorority organizations on campus and to Ohio Wesleyan students and faculty; and was host to Dr. White, foreign correspondent, at a reception following his speech at the Festival Association.

INTERNATIONAL RELATIONS CLUB

For more than a third of a century the Denison Chemical Society has boasted continuous activity and at present has third generation members. It is primarily a honor organization founded for students especially interested and who have completed at least a year's work in Chemistry. Throughout the year's program an understanding of the diversified field of chemistry is sought, and an attempt is made to help the student choose the field best suited for him.

By donation from the Chemistry Society, the freshman chemistry prize is made possible. This prize is presented annually to the freshman who excels in the field of chemistry.

ENGINEERING SOCIETY

Although the Engineering Society is limited to a membership of engineer majors, its bi-weekly meetings are open to all who wish to attend.

The programs are some of the most interesting on campus, making practical applications of physics and chemistry. Motion pictures of these applications were used to show their value in various industries—from pictures of mineral deposits in Arizona, to diesel engines, electron tubes, and the production of steel.

To further the purpose of the society, speakers are invited from all field and branches of engineering.

Zeta chapter of the national honorary Eta Sigma Phi, was founded at Denison in 1926. Its purpose is to promote interest and intellectual development in classical languages.

Many of the social meetings this year were devoted to the playing of Greek and Roman games. Four members of the organization sponsored an interesting and enlightening panel discussion on the influence of the classical languages upon our modern ones.

ETA SIGMA PHI

Keeping up with current events Franco-Calliopean, honorary for students outstanding in literary ability and intent, chose contemporary writers for analysis and discussion at their meetings. Outstanding guest of the season was Carl Sandburg, who visited the campus in the fall. Many of the subjects were about contemporary writers who are refugees in the U. S., or literature of Europe since the war. An all-day Sunday symposium brought the Franco-Calliopean year to a close late in April.

FRANCO- CALLIOPEAN

Tau Kappa Alpha is one of three national honorary fraternities for the recognition of outstanding work in oratory and debating. Election to membership requires at least two years intercollegiate experience.

The organization sponsors student speakers for chapel, exchange student speakers, and freshman debating. Besides these activities, Denison holds plaques for first place in debating and after-dinner speeches for the Ohio, Kentucky, and West Virginia region of Tau Kappa Alpha.

TAU KAPPA ALPHA

SWEET SWING

Rita Dayhoff and her frequent escort, Bob Schroeder sit one dance out at the first annual D dance. . . . Jack Jones, "Ike" McFadden, and "Debbie" Brannan supply a good part of the entertainment ala burlesque at the D dance.

Gloria Freer, queen of the winter carnival (without snow) and her attendants, Charlotte Johnson, and Mary Lou Morgan . . . This seems to be a peppy group that does not mind sitting in the sawdust at the Sigma Chi Bloody Bucket.

It is thumbs down on all studying and this held true especially on this day of revolt. (It was just coincident that it fell on Halloween after a night of dorm raiding.) . . . The ACC's enjoy one of the many open houses.

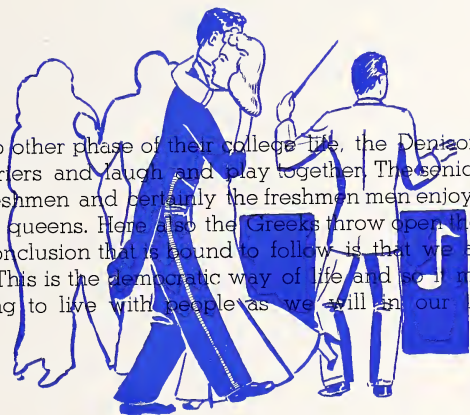

Dances • Queens • White Tie • Tails

Features

HERE, as in no other phase of their college life, the Denison students forget their class barriers and laugh and play together. The seniors enjoy the company of the freshmen and certainly the freshmen men enjoy the beauty of the upperclassmen queens. Here also the Greeks throw open their portals to each other; so the conclusion that is bound to follow is that we are truly one big happy family. This is the democratic way of life and so it might be said that we are learning to live with people as we will in our life after college.

THE JUNIOR PROM

Bunny Berigan, "The Miracle Man of Music", his trumpet and his orchestra was the big attraction of the 1942 Junior Prom which was held in the Wigwam on April 17. The music was good, the soloist, Kay Little, was pretty and the night was ideal for pin planting. The weather gave the girls a chance to bring their spring formals out and the boys a chance to be more comfortable in summer formals. The decorations this year took many miles of paper for it completely covered the four walls and ceiling of the wigwam. (This was all turned over to the Boy Scouts after the dance and they, in turn, added it to their bundles for defense.)

The grand march . . . Dr. and Mrs. K. I. Brown, Bob Gray, Tom Trout, Gerald Robinson, and their dates led the march.

It takes more than man power to put the prom over and Jean Crisp and Marilyn Clarke are out to prove it.

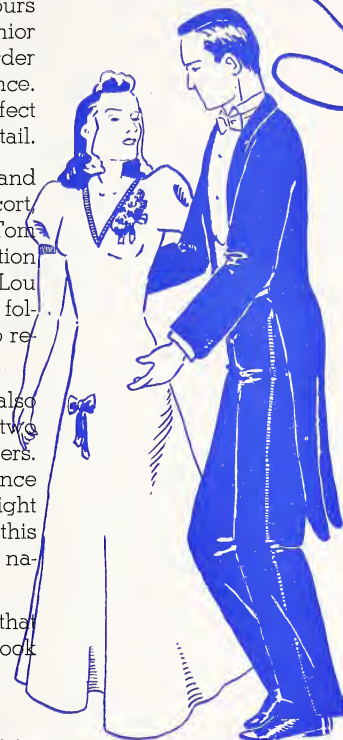

Tom Trout, prom chairman, appointed Gerald Robinson to the all important job of decorating. Many hours were spent in the wigwam by members of the junior class, who even gave up part of their vacation in order that a beautiful background be supplied for the dance. All this work was not in vain for the ultra-modern effect which they were striving for was correct in every detail.

Along about 10:00 P. M. the grand march began and was led by Bob Gray, junior class president, his escort Mary Lou Barnette, Dr. K. I. Brown and his wife, and Tom Trout with his escort, Rosemary Hall. Upon completion of the march, Dr. Brown presented the queen, Mary Lou Barnette, with a bouquet of flowers. Dancing again followed and stopped at 12:30 thus allowing an hour to return the dates to the dorms.

The usual amount of imports were present and we also had some alumni present. This year the girls missed two objects which are generally enjoyed by prom goers. Both flowers and programs were banned from the dance and it might be said that this was a good step in the right direction. It is, however, the editor's opinion that this extra coloring be left out only during the period of national crisis.

All in all the prom was a success and it is hoped that the students appreciated the amount of work that it took to make this dance possible.

The boys put in little hard labor on the band stand.

Here they put up one of the lights that played an important part in giving that modern finish.

At the end of the grand march, Dr. Brown presents the queen, Mary Lou Barnette, with a bouquet.

Miss Leslie Seagrave

A few of the May queen nominations line up on the plaza, among them (fourth from the left) is Leslie who was finally picked as the 1942 May Queen.

Leslie accompanies Alice Shepard Owens to the Homecoming game. Leslie was attendant to Alice, who was the Homecoming queen.

THE QUEEN

Leslie Seagraves member of Delta Delta Delta, vice president 4; W. A. A. 1, 2; D. S. G. A. 4; Chairman of Woman's Judiciary 4; Mortar Board 4; Crossed Keys 3; Women's Glee Club 1, 2, 3, 4, manager 4; Octette 2, 3, 4; International Relations Club 3; Chemistry Society 3; Franco Calliopean 2, 3; Prom Queen 3; Denison Emergency Defense Committee, and Who's Who in American Colleges.

Dick Buttermore had the honor of escorting Leslie to the 1942 Junior prom. Last year she was the prom queen.

MISS VIRGINIA LENTZ

Junior Queen from Toledo, Ohio. She is a member of Kappa Alpha Theta sorority.

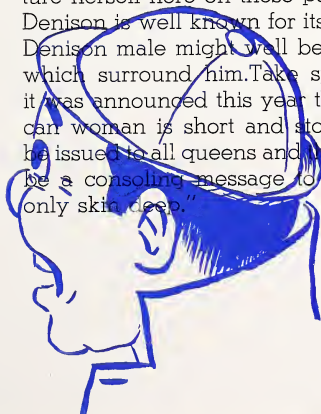

MISS CATHERINE HOMER

The freshmen picked this Kappa Kappa Gamma who comes from Detroit, Michigan.

MISS BETTY BARNES

Is the sophomore choice. She is a member of Kappa Alpha Theta sorority and hails from Milwaukee, Wisconsin.

Much honor and praise should be given to these girls pictured here on these four pages but it might also be noted that most any Denison girl could picture herself here on these pages. Yes, it is true, for Denison is well known for its beautiful women. The Denison male might well be proud of the beauties which surround him. Take special notice men, for it was announced this year that the average American woman is short and stocky. A warning might be issued to all queens and that same warning might be a consoling message to the others; "Beauty is only skin deep."

Dear Fellows:

I was interested to learn of your plan to use drawings in the advertising section of THE 1942 ADYTUM. As you probably know, both the Chicago TRIBUNE and the New York NEWS run comic strips as single units through the ad sections. The circulations of these two newspapers prove the wisdom of the device.

A college year book is not a daily newspaper...but the advertiser is concerned with selling his goods; if the reader's attention is captured in any medium the desired end is achieved.

I don't know whether you are aware that I designed and illustrated the Denison ADYTUM for 1929 (while a student at Ohio State). I wish we had thought of the idea you are using this year.

Very best regards,

Milton Caniff

Jim eats breakfast at the SUPPER table now!

It's a screwy schedule. Jim downs a man-sized dinner while Mom's doing the breakfast dishes, sleeps the day away, and gets breakfast at the family supper table! He's on the midnight shift at the munitions plant.

The night is bright with light when Jim goes to work. Machines that have been humming 24 hours a day scarcely pause as fresh men take over the all-out job of giving arms to Democracy.

CONTINUOUS production makes tremendous demands on men, machines, and on

the electric service that powers practically every operation.

But the power is always there — day and night — Sundays and holidays — 365 days a year.

The electric industry was ready when the crisis came — ready to turn the eager wheels of almost every arms factory — ready to meet new needs with new construction. 1941 saw more than 2½ million extra horsepower installed — enough to light one-fourth of all the homes in the U. S. A.!

America's electric companies have been able to accomplish this by good business management — by producing about 7% of the nation's electric power and making it available almost anywhere, over carefully interconnected systems.

We're glad we can make this report — and glad to pledge our unending effort to supply millions of Jims with all the electric power they need to make America POWERFUL!

MASTER ENGRAVERS TO AMERICA'S SCHOOLS

An American

TRADITION

For more than half a century Pontiac has been producing **QUALITY** printing plates for all types of publication work and has established a reputation for dependable service which is unexcelled among photo-engravers. Everywhere Pontiac yearbook service men have become known for their friendly, helpful assistance and are recognized for their ability as specialists in the school publication field.

It has become "An American Tradition" for schools to select Pontiac as their engraver year after year, with the result that the number of annuals handled by Pontiac has steadily increased. Hundreds of these staffs have developed distinctive books with the assistance of Pontiac artists and have gained recognition for the originality and success of their publications.

The entire personnel of Pontiac Engraving & Electrotype Co. salute the publishers of this book for their splendid efforts in producing a fine yearbook. They invite other schools to join the thousands of satisfied Pontiac clients for assistance in the solution of their engraving problems.

Pontiac served as the Official Engraver to this book.

Our Student Government in Action

Ima Braine, a student and a member of Eta Beta Pi sorority, proposes a plan for establishing a student dogcatcher. She takes her plan to the president of D. S. G. A. She refers her to the Dean of Women. The Dean of Women in turn refers her to the President. The prexy, thinking of the cost involved, refers her to Al Johnson, who O.K.'s the plan as far as the finances are concerned. The bill now returns to the Dean of Women who refers it to the President of D. S. G. A. for student vote. The president of this organization gives it to the President of the Women's Council who submits it to a vote. The proposal is then sent to the Student Senate, which in turn refers it to Dr. Brown again. The Prexy consults the Campus Life Committee, who suggests that it be given faculty approval. The Faculty votes and refers it to the executive committee. Their answer is given to the Dean of Women. The Dean calls in the President of D. S. G. A. and students for consultation. It then goes to the President who consults the Board of Trustees who in turn consult Al Johnson again who, in turn consults the Dean of Men. The Dean of Men then consults the President, who finally feels free to let the proposal drop
